	Steers worked well through yards. A small percentage of the steers became unsettled whilst being weighed and mouthed, but settle once back in mob. Steers required blocking up through open spaces but responded well to handling.		
Handled With	Bikes , Dogs , On foot , Vehicles		
Assessor Comments	Buyers on offer are 28 weaned EU Angus, Murray Grey & Hereford cross steers that present in store condition and are ready to go forward for intending buyers. These steers will suit all domestic markets and would be ideal to take through to trade weight feeders, or take through to grassfed bullock markets. Buyers please note, 3 steers presented with old blight scarring at assessment that was treated with Terramycin spray for buyer reassurance. One steer presented with rub marks/warts on neck. This is your chance to secure 28 EU weaned steers that are all frame and will go ahead given the opportunity. *Please note, vendor has another lot of Angus steers in same sale*.
