Assessor Comments	Buyers a good line of well bred Angus Heifers. Heifers have fantastic breed type with great length, volume, femininity, and are extremely soft smooth easy doing types with great depth of flank. Heifers are bred in the purple being out of A grade Angus Cows and being by leading sires from Texas Angus. These Heifers would suit a future breeding operation or a back grounding operation to take through to heavier weights to suit Domestic markets. Please note 2 Heifers with old blue scars on eyes but are not detrimental.
