Assessor Comments	The Camilee steers have been bred for structure, growth and performance. Being weaned since Feb and handled regularly these steers are the ideal article for a spring trade to background or grow into bullocks. The Camilee herd is based on Millah Murrah, TeMania and Boonaroo cows and joined to Stoney Point Sires. Bulls selected are high in 200 day & 400 day growth figures as well as structurally sound. * Please note 2 BB steers (338kg & 336kg) and we are happy to remove them upon request.
