Cattle handled very well and flowed through yards. Have been handled in a larger pastoral environment.

Assessor Comments: A line of steers standing with plenty of compensatory frame and will perform very well under the right conditions. Steers have been accumulated out of southern weaner sales at the start of year.. A good run of steers that would be ideal to carry on as feeders. Steers have had their 1st shot of bovilis. Please not some old pink eye scaring was visual at assessment so there will be the odd steer delivered as such. Will be assessed on delivery.
