some heifers agitated in crush but settled back in mob

Handled With	Bikes , Dogs , On foot , Vehicles
Notable Traits	Traits 2 Head old pink eye scarring
Assessor Comments	A nice line of Angus x Angus/Hereford heifers. These heifers are bred from a self replacing cow herd based on Curracabark bloodlines, Heifers are by Curracabark and Booragal Bulls. These heifers have been doing considerably well since weaning 2 months ago. Heifers show great shape and are true to type would be ideal future breeders or alternatively taken out to heavy feeders or export markets. Please note vendor has another lot in sale
