Notable Traits	Traits
	2 Head old pink eye scarring
	1 Head one eye recovering from a grass seed
Assessor Comments	A small line of neat Angus cross bullocks that are not far off being finished. Ideal to do a short grain job on or take them through the spring and finish them on grass. Quiet steers that stood well on the portable scales. The vendor purchases 10 steers off the neighbouring dairy farm each autumn and grows them out. Some steers look to be displaying a slight jersey influence with orange backs. 2 steers have old pink eye scaring and 1 had a grass seed removed 2 weeks ago and looked to be recovering fine please see photo.
