Assessor Comments	Quiet Angus & Angus cross weaner steers growing well given the dry autumn / winter they have been weaned into. Steers are fresh - well grown, quiet and ready to grow onto feedlot or kill weights . They are Teys Grass Lands and Greenham Never Ever accredited & JBA Farm Assured. Odd steer showing signs of ring worm on head or neck - not detrimental to their performance. Vendor has a further 36 black baldy heifer weaners in this sale also.
