Cattle worked extremely well through a race draft

Handled With	Aerial (Helicopters, gyro's and planes) , Bikes
Assessor Comments	Number 3 Beefmaster steers that are out of big framed cows and are usually sold as weaners to repeat buyers who take them through to bullocks. Favourable seasonal conditions have allowed the vendor to keep them for an extra year. They were excellent to handle through the yards using a race draft and have been fed silage in bunks as weaners. Performance cattle. Please note that the vendor has a total of four lots in this sale.
