Steers worked well through yards & crush with odd steer stirring up while pressure was applied & also while being weighed. However, quickly settled down once back in the mob.

Assessor Comments	Buyers, on offer is a qood quality line of speckle park / droughtmaster x weaner steers. These steers are showing great weight for age, softeness, depth, muscling and stand on good bone. These steers would be ideal to background and grow on to heavier weights to market domestic feedlots or bullock markets. These steers will go back on their mothers until delivery.
