Handled With	A percentage of these heifers did stir while being assessed in the crush but settled reasonably well when back with the mob. While the photos were being taken, heifers were settled and a pleasure to handle. Bikes , Dogs		
Assessor Comments	A line of unjoined predominantly Red Brahman heifers that have been deliberately kept away from bulls to target a Spring time joining. The heifers have a good frame and present in good forward store condition and are ideally suited to any breeders looking to replenish their herd's breeder numbers.
