Steers were good to handle and very calm to move through yards. They fed up to the race with ease and were relatively calm in the crush on the scales.

Handled With: Dogs , On foot , Vehicles

Assessor Comments	Presenting an eye catching line of 'Rennylea' Angus blood steers that are very quiet and were assessed with ease. These steers have excellent weight for their age and could be purchased to suit many programs. 1 steer was noted to have an old cloudy eye but still had vision in it. Another 2 drafts of steers from the same vendor are also in today's sale giving the opportunity to put together 90 steers.
