Assessor Comments	A great opportunity to buy a line of steers that have all the hard work done, weaned and going forward these well bred steers are perfect backgrounders to put on the oats. Steers are grass fed Eligible and Antibiotic free that really open up so many more markets out the other end. Bred from a cow base that has a foundation of Speriby North, Bald Blair, Wattle Top and Glenavon Angus bloodlines steers have the right genetics for performance in the feedlot or grow out and finish for the accredited grass fed programs. Steers have been weighed into a tight weight range for ease of selling out the other end, 240 - 304 full at assessment, Steers are well handled and will steam ahead given a rising plain of nutrition. Pleas see another line of 46 steers that are just in a lighter bracket Combine the two for a neat two decks of backgrounders.
