Assessor Comments	70 Angus Feeder Steers a run out the gate of 140 Steers. Pure Te Mania Angus Bloodlines these steers speak for themselves. These steers are showing all the attributes of the years of breeding behind them with a very nice long thick barrel from nose to tail, great bone and a beautiful quiet temperament to go with it. Steers are only just 11-12mths at av420kg. Currently running on wheat crop for the last 6 weeks steers are really starting to power ahead. Steers that speak for themselves and will perform!!
