Assessor Comments	A nice even line of 23 Limo Weaner Heifers. These heifers are Garren Park and Newday Limo Bloodlines and are showing a great deal of shape, length and type to them. Heifers are only 10-11 mths with very good weight for age and will perform on both grass or grain or would also suit being joined in the spring as replacement heifers coming out of a very good maternal line of cows with great milk and structure. Vendor has a lot of steers in the same sale.
