Assessor Comments	15 Weaned steers, Vendor bred, grass fed and antibiotic free. September-October drop steers by Rangan Charolais bulls out of Hobbs Red Angus and Charolais cross cows. Well structured steers that have been weaned since April and been looked after well through the winter. Given the opportunity and the coming spring these steers are ready to put weight on with grass of ideal to grain feed. With excellent nature and temperament that would suit the most novice of handlers.
