Assessor Comments	A line of Vendor Bred Yearling Heifers, sired by Texas Angus Bulls out of an Angus Cow herd. At assessment the Heifers weighed from 300-411kg to average 360kg full with a projected delivery weight of 342kg - Heifers were locked in the yards overnight although there was plenty of green pick so a full 5% curfew has still been subtracted. The Heifers present in a																

forward condition and stand on good frame and bone and should continue to grow into quality Females. To assist with transport the Vendor will deliver to the Tenterfield Saleyards. Please note brother line in same sale.
