Other Joining Details	The bulls that were used were Weeran Angus Bulls.

Temperament

Yards	Crush	Paddock
Quiet: 10 head Stirry: 1 head	Quiet: 10 head Stirry: 1 head	Temperament not assessed in Paddock

Heifers are generally quiet, only showed agitation when being forced up the race and into the crush which its a really long and wide race and have learned bad habits of turning around in there over their time. Post Preg Testing I find most females

	aren't easy going coming through the race.
Handled With	Bikes , Vehicles
Assessor Comments	A quality line of genuine 2.5 Year Old Heifers that will calve mid August onwards. The heifers were originally purchased at Hamilton and Mortlake Weaner Sales of known properties such as Weerangourt & Murndal. The draft are joined up to Weeran Angus bulls and present in forward order as heifers that have filled out given that extra time. Please note there are 11 Angus/Hereford X Heifers offered by the vendor in the same sale.
