Assessor Comments	A quality draft of EU Yearling NSM Heifers, presenting a great opportunity to purchase well bred future breeders. Heifers were yard weaned for 7 days in April and have been handled with dogs and quads. The vendor has been purchasing Glenavon, Wattletop and Baringa bloodlines for many years and has put emphasis on high Marbling with high growth (600day) and EMA but also keeping a above average Milk figure. Please note the single Heifer with the white birthmark on her face. These Heifers are ready to be joined to the Bull of your choice.
