Assessor Comments A very good line of Angus Heifers. 1 mark account breeder. Vendor is retaining no heifers and 20% tail has been taken out. 3 Heifers do show a small amount of cross. Heifers are well grown and show good bone and type. Bulls were running heifers when calves on the cows. Due to age and weight would not expect to be in calf but no guarantees. Heifers worked well through the yards and through the crush. Very good heifers - suitable for future breeder or to take through to trade/export feeder weights. Note vendor has another lot (34 head) of Crossbred Heifers this sale.
