	Heifers were good to handle, they flowed through the race well and were easy to handle in bigger yards. These Heifers were fast through the race and were surging forward, once the Heifers were back in the mob they settled down and were good to handle.		Paddock Temperament not assessed in Paddock
Assessor Comments	Buyers a good opportunity to secure a very good line of Angus and Angus X Heifers. These Heifers present in good store condition weighing 313kgs. Heifers have a fantastic breed type with great length, volume, femininity, and are very soft smooth easy doing types with great depth of flank. Heifers are ideal for a future breeding program to join to a Bull of your choice with a lot showing they are cycling. Noticed 2 Heifers with small blue scars on their eyes but not detrimental.
