Assessor Comments	A good line of 50 young 3 year old Angus cows 546kg curfewed, AI'd to Tehama Patriach stud sire and backed up with Pathfinder blood herd bull. They are Banquet and Texas blood cows and present as mostly medium to larger framed second calvers in good forward store condition. These young breeders were pregnancy tested on 14th March as in calf, they are up to date with vaccinations for 5in1 and Pestiguard. An ideal line of proven young breeders with a lifetime in front of them and ease of calving to go.
