Assessor Comments: On offer is a good line of 10 weaned Angus steers that would be ideal to either background or put straight onto feed. They are very well bred being sired by Kilburnie and Coolie Angus Bulls and have the genetic capacity to reach feeder, domestic and export weights.They are a June/July 2023 drop and are showing good weight for age. These steers would be ideal for

	a smaller operation but would also fit in with larger lines of steers. Please note the same vendor is also offering 10 heifers in this sale being the sisters to these steers.
