Notable Traits		Traits
	2 Head	Blue scarring on one eye
	2 Head	White on udder

Assessor Comments	A great opportunity to purchase a very smart line of Angus heifers, 12-14 months of age (June/August 2023 drop), NSM. These heifers are by Waitara and RDM bloodlines and are well grown for age ready to join in the spring to bull of your choice. These heifers would be a worthy addition to any herd. They are up to date with their animal health and quiet to handle through yards and crush.
