Assessor Comments	Excellent opportunity for a light 2 decks of vendor bred heifers. 2 PIC's from 2 family run properties. These cattle are pushing through a very tight feed period and represent true store condition heifers that will respond to good feed and have proven over the years to do just that. Really is a great opportunity to secure light heifers to feed on that could be retained or grown to feeder cattle weights, vendor has not retained hfrs and selling due to seasonal conditions. Pls note vendor has 2 decks of steers in the same sale.
