Well handled young females that have been extensively handled, and properly weaned. All led up the race very quietly and were sensible to let out in the small holding yard for photos.

Handled With: Bikes , Dogs , Horses , On foot , Vehicles

Assessor Comments: Nice, quiet line of young Hereford Heifers. By select Wirruna & Ravensdale Hereford sires, selected for early growth & positive carcass qualities. Usually retained, and grown out to feeder weights, and to be later assessed for keeper qualities or be sold direct into feedlots, only offered for sale early this year due to unfavourable seasonal conditions & keeping the main focus on looking after the core breeding herd.
