	Good steers to handle. Flowed through race and crush with ease. Odd steer agitated when mouthed.		
Assessor Comments	Bikes , Dogs , Horses		
Assessor	Good quality line of Flatback Euro x steers that show plenty of shape and bone to go on and make very nice cattle finished. All steers are fresh and shiny in the coat doing very well on the improved pastures. A mix of breeds although most have Charolais or Simmental infusion exception of a few well bred Herefords and a few Angus and Angus x steers. Most steers purchased on cows last spring with a few bought in the Autumn as weaners. Ideal cattle to make high yielding carcasses later on given the opportunity.
