Assessor Comments	A very good draft of Angus Heifers from Owen & Sons who pride themselves on breeding high end quality livestock. These Heifers are from there 2023 spring drop weaners and are only been made available due to an increase in Cow numbers. They are genuinely only 11-12 months of age and are bred from top end large framed Te Mania Angus cows purchased ex Team Te Mania sale sired by leading Te Mania Angus Bulls. Bulls are selected on 400 & 600 day growth rates and high IMF. They were drenched early July and have had 2x 7in1 Vaccinations along with arrest easy dose 3 weeks ago. Yard Weaned early May for 7 days and are Grass Assured. Excellent draft of Heifers which are very quiet to handle to handle that I'm sure would satisfy the most discerning purchaser.
