Assessor Comments	Meet 'Daisy" a five year old Highland cow with a terrific temperament. Daisy is slightly smaller than her best friend Delilah

	and is also a little more friendly, she also has a great colour in her coat. She has been in AI programs for the past few years and raised some wonderful calves. She's has made a great family pet and enjoys coming up for a feed of hay and a scratch in the paddock. She has always been with her friend "Delilah" who is also being offered and would be great to see them stay together. Being sold as the commercial Angus herd has grown and room needs to be made for these. Will be sadly missed.
