Assessor Comments: A nice line of vendor bred heifers that have plenty of genetic power behind them sired by Merridale and Bellaspur bulls out

	of large frame Ex stud cows. These heifers show good bone, length and shape. They are known cattle to feedlots and abbs for performance and MSA grading. Heifers that have been weaned and ideal condition to perform and suit any program. Complete draft no heifers retained, older sisters in sale too. **GREENHAMS NEVER EVER ACC** Please note: 1 had scarring on eye Heifers show previous rub marks and have been treated for lice.
