An exceptionally quiet draft of Heifers, no issues at all in yarding them, walked up the race, through the weigh box and crush with ease and stood calmly for photos and videos. A pleasure to assess.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: 17 PTIC Angus Heifers. Due to a reduction in acreage, Bimbadeen Angus is proud to present for sale this mob of Heifers that would usually be kept as breeders, these heifers were a joy to assess and were a breeze to handle and weigh throughout the yards. With widely popular demand at local store sales, making top prices year on year, this run of Bimbadeen Angus progeny is a fantastic buying opportunity. Heifers present in magnificent order and will suit any buyer looking for an easy to handle lot to either start a breeding program or inject into an existing line with 25 years of Angus breeding behind it, these Heifers are not to be missed. Please note Vendor has another lot in this Sale
