Assessor Comments	380 vendor bred mxd sex suckers ,these suckers are the progeny of Felix poll dorset rams over a large frame Rocklyn bld merino ewe .They are the top draft from 600 lambs, in the past these lambs have been feed lotted and sold to domestic or export markets only selling due to cropping program. The suckers are healthy and on there way up and it won't be long and they would be fit for the market of your choice.
