Assessor Comments Tarrone View offer you an opportunity to buy the very last of their Autumn calved herd. They will now move to 100% Spring calving. These 6 year old Autumn calved cows on their 5th calf present in great order. These Super Quite cows are Pathfinder blood cows that have tremendous depth and width throughout and have terrific 2-9 week old unmarked calves at foot also sired by Top end Pathfinder Sires. These medium to large frame units come with my highest recommendation and will compliment any herd. Note one set of twins, also note vendor has another line of 19x19 in the same sale.
