Assessor Comments	A neat line of Te Mania and Gilmandyke Angus blood steers. These Steers have been purchased ex Carcoar Feature Weaner Sale in April 2024. They have had a fantastic start on lucerne, cocksfoot, chicory and pharlaris pastures, steers have done exceptionally well showing great weight for age. Steers are Grass fed/Antibiotic free. These steers would be ideal to continue on a grass ration to grow out to heavier feeder weights or would be a great line of cattle to go straight on feed for a domestic market.
