These heifers are extremely quiet and easy to handle around the yards and up the race, a number do stir up a little in the headbail when being mouthed as is normal

Assessor Comments	A line of good quality Angus, Angus/Hereford Cross heifers in forward store condition, these heifers are going ahead on fresh buffel and native grasses. These heifers were purchased from the Talwood area late last year. There is one heifer with a blue eye and is not detrimental to it's health and sight. There is one Santa heifer in the mob. All heifers have milk teeth. These heifers would make good future breeders or for feeding on.
