Assessor Comments	A very impressive line of weaned, June/July drop Poll Dorset (Sire) X Composite (Dam) lambs. The lighter tail draft lambs were retained for shearing. CLiKZiN treated 20th Oct to provide great confidence of flystrike prevention to all potential buyers. Well bred 2nd X lambs with great shape & body type. The Nicholls family are offering a 2nd line of 517 lambs (PD X WSFK/Mer) in the same sale, providing buyers with the ability to put together just over 1000 well bred store lambs set to target any chosen market. Highly recommended.
