Assessor Comments	A very nice line of steers sired by Palgrove Charolais & Glenavon Angus bulls that have put muscle and softness into these animals. Steers present in fresh forward condition and given the right opportunity could be fattened into domestic or export weights. Steers show very good growth for age and sound confirmation with all steers showing the body shape and softness to finish. Two Steers represented with heavier weights are autumn drop 2023 with the balance spring drop. Two steers show old pink eye scarring. Vendor has heifer portion of these in this sale to
