Steers were great to handle.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: Excellent line of well bred young Angus steers. Pure Reiland blood with these calves mothers from the Reiland herd itself. Top steers to take onto feeder weights or kill weights. Would suit any sized operation with the great temperament. Please see vendors other line of heifers in same sale. Small tail removed from mob at assessment. Please note some steers present with some pizzle but is only due to being late marked which is fine with the calves age.
