Assessor Comments	47 VGQ Vendor Bred Crossbred Weaner Heifers. They Exhibit Good Bone, Length, Depth and Frame for their breed and age. These Heifers are ideally suited to retain as future breeders or grow out to Feeder or Slaughter Weights. Vendor has not retained any Heifers to keep so this is the entire drop. They have good feet, are quiet & majority are tidy around the head. There is 1 Brindle Heifer in the mob. They will be fed in the yards until delivery so a prompt pickup is appreciated. There is the possibility that they will get tailed out over the weekend, subject to weather & when the pickup date is. There are a further 2 mobs of Steers located on the same property in the same sale that can be added to make up trucks. The Grove has Prickly Acacia however it is not in seed. PCAS Eligible. *These Heifers require more than 1 deck for transport.*
