Assessor Comments	What a great opportunity to purchase the entire drop of the 2022 Drop of Ewe Lambs off Cara, from the Wettenhall Family. Keep in mind the second draft of ewe lambs are also in todays sale of 350, 775 in total. Cara have been using Willandra Poll and Horned Rams for some 45 plus years. Flock average wool cut has been consistantly between 8.5 and 9kg, concentrating on structure, wool cut and fertility which has been the Willandra Stud traits. No barley grass at time of assessment, given season there maybe light seed by time of delivery.
