Assessor Comments	Buyers look no further Vendor bred quality young cattle, all the hard work done here! Ready for a big Summer ahead. Heifers have heaps of frame and length. A good pretreatment has been done on these cattle to assist tick free buyers. Cattle have been vaccinated with 3 germ blood and have had 2 shots of 7 in 1. Approx 2 X Heifers had blue or slightly blue eyes/spots 1 heifer was treated with eye cream. 1heifer had white under belly and another was heavy muscled. Majority of these cattle are sired by top AI sires . Ideal to grow out to heavier weights. ** VENDOR has multiple lots on this sale!
