| Assessor Comments      | The 2nd draft of the East Loddon Merino Wether Lambs for 2022, AVE 36 KG empty. These lambs will improve quickly shown green feed, as they have been running on dry station country. East Loddon have been focusing on improving muscle development, high meat yielding as well as wool cut. These lambs will grow out to be high export weights. Please note: odd lamb with dry scabby mouth. |                |          |
