	These cattle were a pleasure to handle through the yards, a credit to the vendor for the handling & time spent. Only one steer stirred up slightly under pressure in crush during the weighing process, settled very quickly once back in mob.

Assessor Comments	Shannon Falls Pastoral Co offer an exceptional line of September/October 23 drop Angus Steers, with some impeccable breeding. These steers are out of cows bred by Team TeMania members G & L Hall 'The Mole' Warren & Susie Chisolm 'Gwalia' Adelong. Steers are bred by AI TeMania Legend VTML646 & backed up by VTMR563 & VTMR577. If your after performance steers this is them, with high IMF, EMA & Growth figures. These steers show great potential with plenty of frame, stretch & type. Ideal background steers to grow out to feeder weights or take through to bullocks. Well weaned these calves will keep going ahead given the opportunity. Steers that have performed very well in the past with repeat buyer interest. Grass Fed & Nil Antibiotics.
