Assessor Comments	A great opportunity to purchase this line of 1st X Border Leicester ewe lambs. They are by high indexing rams purchased from the Retallack Border Leicester stud at Temora and out of good framed very productive Greendale blood Merino ewes. These ewe lambs are October to Early November 2021 drop and were shorn in February. The sale of these ewe lambs represents a great opportunity to buy lambs that have enormous potential to value add. They have done it tough to date in an exceptionally wet year but have plenty of upside in front of them. They have been market crutched for purchasers convenience.
