| Assessor Comments | **Eu Accredited** Annual Sale** 30 Angus Steers. August/September 2023 Drop. 8-9 Months. Pure Toora West Blood. A great line of very well bred Angus weaner steers, very good growth for age, large framed steers that will make perfect feeder steers by late spring. These steers are normally taken thru to feeder weights by the vendor by early November but are only being sold as weaners due to seasonal conditions. Steers that are very quiet to handle. Greenhams Never Ever Acc. |
