Assessor Comments	B Double load of EU Accredited Steers 15-17 months of age and representing the tops of the drop. Bred by Hazeldean and Bongongo sires out of originally a Courallie Hereford based herd, these steers present in fresh store to forward store condition and will steam ahead shown some quality feed. Great opportunity to buy steers with a fair bit of the work done , grown out and ready to stack the kilos on. Noted an odd steer with old ringworm scarring around the face/neck. Steers are Greenham Never Ever accredited or can supply a PCAS Grass Assured declaration at buyers request.
