Assessor Comments	18 Watervalley Red Angus steers, Ex Mt Scott 270.2kg LW Curfewed. They are in forward store condition coming through a dry autumn and winter fed on hay. They have a good medium frame in light condition that will gain weight fast given the opportunity. Approx 5%, with very minor ringworm. Buyers should expect a small dash of crossbred characteristics The Watervalley cattle They are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases.
