Assessor Comments	This line of 200 1st x ewe lambs offered by the Rivett family are usually retained but due to more merino ewes being kept they are up for sale. They are well balanced well presented ewes that will be of joinable weight by January and also have very good wool type. Rams for both breeds have been purchased at the top end of the sale for a number of years so buy with confidence. Please note there is 130 of the top run in this sale
