Assessor Comments	Buyers, on offer is a neat line of September/October drop Angus future breeder heifers. Averaging 404kg at assessment, these heifers moved through the yards with ease. Heifers are well structured, easy doing cattle that show all the positive attributes of well-bred Angus cattle that will make great breeders of the future. Heifers are starting to clean up in the coat and move ahead as the spring pastures start to mature. Buyers please note that 4 present small amounts of wart, 3 with white on their udders and 2 with pink eye scaring that is not detrimental to vision. These young females present in ideal condition and frame to join or grow out to feeder weights. Vendor has 2 lots other lots of 45 and 70 heifers on offer in this sale.
