Assessor Comments	On offer is a good line of Red Angus/Euro x steers that are vendor bred and Greenhams Never Ever accredited. These good frame steers are extremely quiet and have been well handled. Steers are just 12mths old and are 420kg/avg. The vendors normally would sell these as vealers but opted to wean early and grow out. Cattle that would suit most markets. Vendors are passionate about their breeding and have been infusing/trialing different breeds to get the ultimate cross, buying only the best bulls. Please note 3 other lots in same sale. Note 1 limo x steer has horns which can be rejected if buyer preference.
