Assessor Comments	On offer is a good line of 8 Red Angus/Euro x heifers that are vendor bred and Greenhams Never Ever accredited. These good quality heifers are extremely quiet and have been well handled. These heifers are just 10mths old and are 360kg/avg. The vendors normally would sell these as vealers but opted to wean early and grow out. Cattle that would suit most markets or to retain as future breeders. Vendors are passionate about their breeding and have been infusing/trialing different breeds to get the ultimate cross, buying only the best bulls. Please note 3 other lots in same sale.
